## TOBACCO PRICES TO BE HIGHER;

### LETTER TO GROWERS OF COUNTY

FROM NATIONAL UNION A. S. OF E.

Under the auspices of the American Society of Equity, the Tobacco Growers association, a branch thereof, will hold its second annual convention in Owensboro, October 18, 19 and 20. The first meeting was held in Lynchburg, Va., November 11 and 12, 1904, and recommended that no 1904 tobacco should be sold for less than an average of eight and nine cents. These prices have since been realized in many instances and the general average for tobacco during the past year has been much higher than in 1904. The coming convention intends to declare the minimum prices at which each class and grade of the 1905 crop should be sold. This convention will be composed of the leading tobacco growers of Kentucky, Virginia, North Carolina, Tennessee and Wisconsin, and in view of the victories already gained by the organized growers, this meeting will be largely attended and the result will be watched with intense interest by both growers and dealers.

Secretary Taylor, of the Tobacco Growers' branch of the American Society of Equity, has issued the following letter to the tobacco growing farmers of Breckinridge county:

#### Letter to Farmers.

"To the Tobacco Growers of Breckinridge County: It is a fact, now openly admitted by the leading tobacco trade journals, that surplus stocks of tobacco in warehouses and factories has nearly all been brought into consumption. This has been the result of the increased demand during the past year, and the fact that much of the 1904 tobacco is still held by the growers. The statement so largely circulated a year ago, that there is a 'two years' surplus on hand,' is no longer credited nor is true. It is also generally admitted by the tobacco journals that the crop of 1904 was much below a normal crop, and that the crop of 1905 will be large and heavy. It is evident, and the evidence is more evident to the tobacco dealer than to anyone else, that before the crop of 1906 can be placed on the market, every point and scrap of 1904 and 1905 tobacco in first hands will be sought for and gobbled up, and if the growers hold the crops back and market slowly, prices will be much higher than those now offered.

"The organized tobacco growers are desperately in earnest in their demands for fair prices and the coming convention which will extend over a period of three days will be the largest, most important gathering of tobacco growers ever known in this country. Capable committees will arrange plans for handling the crop from the time it is put in the barn until it is turned into cash at the prices asked by the farmers. Prominent tobacco growers will attend and fire the zeal of the farmers with strong speeches. Many delegates have already been appointed, and the city of Owensboro is

making preparations to entertain several hundred tobacco growers.

#### Trust Doubles Its Money.

"It is said that the tobacco trust doubles its money on every pound of tobacco it buys. In other words the manufacturers make clear as much money as they give the farmer for the entire crop. If tobacco is worth so much to the consumer, is there any reason why the farmer should not have fair pay for producing such a wealth of luxury? Isn't it time that the farmers were tagging some of the sweets of life?

"Those who are fortunate enough to attend the Owensboro convention will be greatly surprised to see how thoroughly in earnest the farmers are and how much they have already accomplished. The farmers are leaning the tobacco business. The stock excises for low prices heretofore sent broadcast by the tobacco boards of trade, are no longer swallowed blindly, and the fellows out between the tobacco rows and in the tobacco barns know about how much tobacco is grown and how much is needed to supply the demand. They also know about what costs the manufacturer to put out the stuff the consumer purchases, and they know what the consumer pays for it. They cannot harmonize the statements and the facts so that only a pitance should belong to the producer. The sooner all planters get their eyes wide open and become fully alive to the situation, the better for them.

#### Should be Represented.

"Every county that produces enough tobacco to make a smoke should have a delegation at Owensboro, whether they are organized or not. If they are not organized they soon will be when they learn how many of the organized farmers saved more money through their organization than some other made. The growers in many counties of Kentucky and Tennessee have held their 1904 crops and are making full preparations to hold their crop of 1905.

"The wheat growers of Kansas, many of them, are dumping their wheat at 65 cents per bushel. In Indiana the farmers are partially organized and better educated along the lines of controlled marketing, and are marketing more wisely, receiving 85 and 90 cents. The farmers of Virginia and Kentucky, where they are thoroughly organized, are in some cases being offered 90 cents to \$1.00. This shows how much wheat is really worth. It shows what it ought to sell for, and why it does not in all cases. More than all, it shows that when the farmers want anything and demand it, they get it. "Any farmer who sells a pound of tobacco for less than the Owensboro convention will say it should sell for, will be robbing his family to make a free-will offering to the trust. Come to Owensboro and learn the truth."

A body with a view to aiding the local doctors in checking the disease. The City Council has passed stringent orders regarding the sanitary conditions of the town, but the number of patients increases with each succeeding day.

After a hearty meal a dose of Kodol Dyspepsia Cure will prevent an attack of indigestion. Kodol is a thorough digestant and a guaranteed cure for indigestion, Dyspepsia, Gas on the Stomach, Weak Heart, Sour Rinsing, Bad Breath and All Stomach troubles. Sold by All Druggists.

#### To Wage Hot Fight.

Springfield, Tenn., Aug. 12.—The Dark Tobacco District Planters' Protective Association is preparing to wage the hottest fight in its existence. A Campaign Committee of about twenty determined farmers from Clarksville, Guthrie, Elkton and other points will go to Mayfield, Fulton and Wickliffe, Ky., Monday. The whole Western Kentucky District is to be thoroughly organized. Accompanying this committee will be several prominent association speakers.

#### Picture of Howard School.

In Sunday's Courier-Journal was a picture of the Howard school, near Daniels, this country. The picture, which was a large one, showed part of the school building and the pupils in a group.

#### Webster Loses to Tobiasport.

A baseball team composed mostly of players from Webster went up against the "Punkin Rollers," of Tobiasport, on the latter's grounds, Sunday afternoon. The game was close and interesting from start to finish, and resulted in a score of 7 to 6 in favor of Tobiasport. Players and "fans" in Breckinridge county have expressed the opinion that the umpire's decisions were unfairly against Webster in a number of instances, and that Webster would have won the game if it had not been for this. At any rate, Webster put up an excellent game and the spectators of whom there were several hundred, got their "money's worth." Perhaps over a hundred persons attended the game from this county. It was the last Breckinridge county team to play Tobiasport this year, though there were several that played last year.

#### NOTICE.

On account of the prevalence of yellow fever in the South and the danger that the same may extend to Kentucky—All persons living within the city limits of Cloverport, Ky., are hereby notified to clean up their premises within the next ten days by cutting weeds, grass, etc. To drain all standing stagnant pools or pools, also to clean out all outhouses, stables, privy vaults, water barrels, pig pens, etc., that may contain unwholesome stretches or breed places for disease, and to discard all waste and refuse, and to clean up all places with lime or crude carbolic acid. Upon failure to comply with this order all persons will be prosecuted for maintaining a nuisance and will be liable to a fine of not less than five or more than twenty-five dollars, and the city officers will proceed to remove such nuisance, and judgment will be rendered against property owners and holders for the cost of such removal.

L. T. Reid, Mayor.  
Dr. F. M. Smith, City Health Officer.

#### First Game in Two Years.

The Dukes nine and a team composed of players about town played a game of ball, Saturday afternoon, near the ice factory, the score being 14 to 6, in favor of the local team. The local players were: Geo. Wendelen, Chas. Berry, Chas. O'Brien, Thos. Harry and Clyde Morrison, Lee Yeager, Joe Graham and Beavis Tucker. They expect to play Camp Anderson on Saturday afternoon, August 2. The larger number of the players named above are employees of the Henderson Route and are about the best local talent to be found. The half holiday at the company's shop, at the end of every week, gives them an opportunity to play on Saturday afternoon.

The game Saturday was the first here in the past two years, and there has never been so little interest here in national sport as during that time.

W. B. Oelze's High Award.

W. B. Oelze has been awarded the fourth prize in the annual contest of the National Association of Amateur Photographers of America. When the fact is stated that the print submitted by Mr. Oelze was one of 11,690 prints entered in the contest, the importance of the award and the value it places on his ability as a photographer is apparent. Two kinds of membership cards are granted by the Association. The kind Mr. Oelze has received is for meritorious work, and this kind is limited to 120, or about three to each state.

The print entered in the contest by Mr. Oelze is an enlarged photograph of the old covered bridge over the small stream known as Skillman's branch, just east of this city.

Entertainment of Delegates.

All the delegates and visiting brethren to the annual session of the Breckinridge Association of Baptists, which meets in this city on August 31 and September 1, are requested, on arrival in Cloverport, to call on J. E. Keith, chairman of the committee on entertainment. Mr. Keith will see them to homes during the week. He will meet all trains and all who come overland will have their teams cared for.

#### Miss Ivy Squires Married.

Raymond, Ky., Aug. 15.—(Special.)—The many friends of Miss Ivy Squires will doubtless be surprised to learn of her marriage. She was married to Mr. Thos. Ogden, at Red Fork, I. T., on August 8. Miss Squires left here with her father's family, for Red Fork, about two months ago.

#### TWENTY-FIVE LOTS SOLD

In Breckinridge Addition For \$2,700  
—May Aid Growth of Town.

Twenty-five lots in Breckinridge Addition to the city of Cloverport were sold to the highest bidders, last Thursday afternoon, by the Cloverport Real Estate and Improvement company. The lots were sold for \$2,700, the purchasers being mainly local business men, some of whom have already announced their intention of building. The lots were sold by D. W. Henry, of Irvington, the well-known auctioneer. The sale was attended by about two hundred people, many of whom were business men. Several business houses were closed at the hour of the sale, by request of the city council, in order that the employers and employees might attend.

The sale began about 1:45 o'clock. It had been announced for 10 o'clock but was postponed on account of the rain which fell in the forenoon. The selling was brisk, some investors buying lots in bunches. On some the bidding was lively, the price on one going from fifty dollars to over a hundred. The prices paid for the lots averaged about \$100. The largest purchasers were Seaton & Weatherall, the local timber and lumber firm. This fall they will build residences on the lots they bought.

Several candidates for county offices attended the sale and were busy there and in town during the day shaking hands with the voters. Among those noticed were Henry DeH. Moorman and Morris Eastgate, Democratic and Republican candidates, respectively, for county judge. W. S. Bell and W. F. Hook, Republican and Democratic candidates, respectively, for county clerk and Dennis Sheeran, Republican candidate for sheriff. Bowman, chairman of the Republican county committee, was also among those present.

It is believed that the sale of lots Thursday presages the upbuilding of the West End and means much for the growth of the town. They are ideally located and will no doubt furnish sites for many residences within the next few years. They are very suitable also for factories.

The sale that heels without a scar is DeWitt's Witch Hazel Salve. No remedy effects such speedy relief. It draws out inflammation, soothes, cools and heals all cuts, burns and bruises. A sure cure for Piles and skin diseases. DeWitt's is the only genuine Witch Hazel Salve. Beware of counterfeits, they are dangerous. Sold by All Druggists.

#### Gibbs-Adams.

Mr. Henry Gibbs and Mrs. Lillie Adams, of this city, were married in Louisville Monday evening at 8 o'clock in the parlors of the Presbyterian church at Eighteen and Chestnut streets, by the pastor. Mr. and Mrs. Gibbs returned here yesterday to make their home. Mr. Gibbs is the News' efficient pressman. He came here from Louisville last summer.

#### Agent at Stephensport.

Stephensport, Ky., Aug. 15.—(Special.)—Ed. Adkisson has accepted the position of agent here for the Henderson Route. Mr. Adkisson and his family have moved into the Netherton property. Nick Netherton, the former agent, is now agent at Irvington.

#### Annual Meeting in Progress.

Hardsburg, Ky., Aug. 15.—(Special.)—All roads led Sunday to Freedom church, where the annual meeting is in progress. A large crowd from this place attended the services there Sunday.

Frank and William White entertained Saturday evening at the home of their mother, Mrs. Jas. T. Skillman, in honor of their cousin, Miss Mildred Fontaine, of Louisville. The following were the out-of-town guests: Misses Mildred Fontaine, of Louisville, Elmore Lewis, of Addison, Allen Boyd, of Holt, and Messrs. Tennyson Lewis, of Addison, and Gus Riedel, of Holt. Miss Fontaine and brother, Virgil Fontaine, of Louisville, and Frank and William White were the honor guests at a party at Holt last Wednesday given by their aunt, Miss Forrie Hards.

Two large drawings from plaster cast busts, the work of Harry Newcomb, who is attending an art school in Cincinnati, are on exhibition in a show window at J. C. Nolte & Co's store. They have attracted much attention and elicited favorable comment.

Subscribe for the News.

#### With the Candidates.

Hardsburg, Ky., Aug. 15.—(Special.)—Henry Cannon, the Republican nominee for assessor, has selected two of his deputies. They are Matthew Shrewsbury, of the Hardsburg district, and James Aritt, of Union Star neighborhood. They are excellent gentlemen, and, if elected, will make capable and efficient officials.

Elihu Moador is being strongly urged to make the race for magistrate in the Hardsburg magisterial district on the Republican ticket. The chances are that he will be nominated.

#### Store at Hites Run.

Lafayette Beauchamp, of Falls of Rough, has sold his interest in the store of Beauchamp & Eskridge, at that place, and will conduct a general store at Hites Run, on the turnpike, halfway between Cloverport and Hardsburg. Mr. Beauchamp has bought a lot from Lew Waggoner, near the latter's residence, on which to build a storehouse. He expects to begin building at once.

#### Property Value Increases.

Hardsburg, Ky., Aug. 15.—(Special.)—The Farmers' Bank has purchased the Johnson property. It consists of the brick building now occupied by the bank and about one-fourth of an acre of ground. The exact figures of the consideration have not been made public but the price exceeds the sum of \$1750. A few years ago the property was considered worth only \$1,000.

#### Miss Mamie Snyder Dead.

Bowling, Ky., Aug. 15.—(Special.)—Miss Mamie Snyder, after a very short illness, died at her home last Friday afternoon. She was a good girl, beloved by her friends, and her place can not be filled. For a number of years she has been her father's housekeeper, his stay and comfort in his declining years.

#### Gash Cut in Shoulder.

Clovis Bowlds, formerly of near town, met with an accident while working in the Tell City chair factory, cutting a large gash in his shoulder. It was not serious, but it kept him from work for several weeks.

#### Morning Star Returning.

Saturday's Owensboro Messenger stated that the handsome steamer Morning Star is now on her way up the river from Memphis and will likely be placed in the Louisville and Evansville trade again. The boat was chartered about a year ago by the Arkansas Packet company.

#### Joe Allen For Deputy Sheriff.

Joe Allen, of this city, will make the race for deputy sheriff in this district on Dennis Sheeran's ticket. John Jennings, at present magistrate in this district, has announced that he will make the race for deputy sheriff on the Democratic ticket.

#### IN HONOR OF THE VISITORS

In the City A Banquet Is Given by West End Society People.

A fish fry, an annual affair here, was given, mainly by society people of the West End, at Oelze's Hall, last Thursday evening. It was given in honor of the visitors in the city and was a most enjoyable affair. It had been arranged for an out-door entertainment, but the heavy rains of the day prevented this. It was called a fish fry, but "fried fish" was far from being the only delectable "refreshment" that was served to the guests.

The affair was really a banquet. It was served in eight courses and was as enjoyable as elaborate.

The out-of-town guests were as follows: Mr. and Mrs. J. B. Randall, Louisville; Mrs. Thos. Watkins, St. Joseph, Mo.; Miss Linnie D'Hany, Evansville, Ill.; Misses Ann Hambleton and Minnie Pierce, Sorgho; Miss Maria Hambleton, Henderson; Misses Zillah, Edna and Frankie Bates, Hawesville; Miss Della Conard, Leavenworth, Ind. Mr. and Mrs. Harry Weaver, Toronto, Canada; and Messrs. Max Rosenblatt and C. D. Rne, Hawesville; Forrest Haynes, Owensboro; Dwight Randall, Louisville, and Shannon Lees, Denver, Col.

Following are the local people who were at the banquet: Mr. and Mrs. C. E. Lightfoot, and Mrs. E. B. Oglesby, Mr. and Mrs. Wickliffe De Haven, Mr. and Mrs. S. P. Conrad, Mr. and Mrs. S. V. Conrad, Mr. and Mrs. F. P. Payne, Mr. and Mrs. H. A. Oelze, Mr. and Mrs. R. L. Oelze, Mrs. Mary Oelze, Mrs. Helen Adams, Misses Ethel Oelze, Judith Miller, Grace, Eva and Edith Plank, Rhea Willis, Kate Oglesby, Jessie Ratt, Georgia White, Mary Owen Oelze, Julia Hills, and Messrs. Geo. Younger, W. B. Oelze, Harry Hills, Ed. English, J. D. Habbage, Jr.

#### H. C. Powers Gets 21 Years.

Hartford, Ky., Aug. 12.—The case of the Commonwealth against Hiram Powers, who killed Silas Renfrow, a prominent merchant, at Narrows last spring, terminated in the Circuit Court to-night, the jury returning a verdict of twenty-one years in the State penitentiary.

#### Picnic Financial Success.

Mattingly, Ky., Aug. 15.—(Special.)—The picnic given at Hardin's schoolhouse Saturday by the teacher and trustees, for the benefit of the school, was largely attended and a success financially.

#### Rockport Fair Aug. 22 to 26.

The Rockport Fair Association will hold its nineteenth annual meeting at Rockport, Ind., on August 22, 23, 24, 25 and 26.

#### Spontaneous Combustion Fire.

Two loss on a barn and contents, on the Hon. Q. K. Groves' place, at Tobiasport, which was burned last week is estimated at between \$500 and \$700 by Mr. Groves. Besides the barn 300 bales of straw, 300 bushels of corn and some farm machinery was burned. During a storm several days previous to the fire the barn door blew open and the straw became wet. The intense heat following probably caused spontaneous combustion. The insurance amounted to \$150.

#### Epidemic of Typhoid.

Vine Grove, Ky., Aug. 12.—An epidemic of typhoid fever is raging in this town and vicinity in the worst form ever known. Physicians are going night and day, trained nurses have been ordered from Louisville, and the situation is alarming. The County Board of Health visited the town in

## Scrofula

Few are entirely free from it. It may develop so slowly as to cause little if any disturbance during the whole period of childhood. It may then produce irregularity of the stomach and bowels, dyspepsia, catarrh, and marked tendency to consumption before manifesting itself in much cutaneous eruption or glandular swelling. It is best to be sure that you are quite free from it, and its complete eradication you can rely on.

# OF HEART DISEASE

## W. O. THOMAS DIED

Declared Chas. Pate After His Arrest—Was Superstitious And He Left Hancock For Grayson.

In the Owensboro Messenger last Wednesday morning was the following:

"I did not kill Mr. Thomas. He died of heart disease. I left there because I was superstitious." This statement was made yesterday at the "Texas" depot by Chas. Pate, charged with the killing of William O. Thomas, of Cannelton, Ind., a few miles above Hawesville on July 31. Pate was in the custody of Sheriff Bannan, of Hancock county. He was arrested in Grayson county late Monday afternoon by the sheriff and brought to Owensboro on the Illinois Central road on Tuesday morning. The sheriff said he remained in the city all day and left for Hawesville on the 3:35 p. m. "Texas" train.

Thomas was a prominent stone contractor of Southern Indiana. His home was at Cannelton. He had a quarry on the "Texas" road above Hawesville. Pate and his family lived near the quarry. It is said that the men had a difficulty over the possession of a house. It is alleged that Pate kicked Thomas in the stomach. The man, who was over sixty years of age, staggered from the house and walked a few paces and fell to the ground dead.

Pate left the scene of the tragedy and all efforts to locate him for a few days seemed in vain. His wife refused to talk about the affair and she was arrested and lodged in the Hawesville jail. It was thought that she was connected with the trial and she was given an examining trial and held to the grand jury.

Sheriff Bannan heard that Pate had gone to Grayson county. He left Hawesville on Monday morning for the place where he thought Pate was hiding. He reached the house at midnight and after gaining admittance immediately placed Pate under arrest before he had time to resist.

Pate attracted no little attention on the streets Tuesday. He is a rather large man and wore an enormous straw hat. His beard was long and he appeared as though he had had but little rest during the past week.

The prisoner denied emphatically that he killed Thomas. He said that he had been working for Thomas for four years and seemed surprised that he should be accused of his death. His only explanation for the man's death was that he was tired and died of heart disease. He declared that he was superstitious and did not care to remain about the house after Thomas died.

# Doctor Brigham Says

MANY PHYSICIANS PRESCRIBE Lydia E. Pinkham's Vegetable Compound

The wonderful power of Lydia E. Pinkham's Vegetable Compound over the diseases of womanhood is not because it is a stimulant, nor because it is a palliative, but because it is the most wonderful tonic and reconstructer ever discovered to act directly upon the generative organs, positively curing disease and restoring health and vigor.

Marvelous cures are reported from all parts of the country by women who have been cured, trained nurses who have witnessed cures, and physicians who have recognized the virtue of Lydia E. Pinkham's Vegetable Compound, and are free enough to give credit where it is due.

If physicians dare to be frank and open, hundreds of them would acknowledge that they constantly prescribe Lydia E. Pinkham's Vegetable Compound in severe cases of female illness, as they know by experience it can be relied upon to effect a cure. The following letter proves it:

Dr. S. C. Brigham, of 4 Brigham Park, Pittsburg, Mass., writes: "I give you great credit for what I have found Lydia E. Pinkham's Vegetable Compound very efficacious and strong in my practice for female difficulties."

"My oldest daughter found it very beneficial for uterine trouble some time ago, and my youngest daughter is now taking it for a female weakness, and is sure to gain in health and strength."

"I freely advocate it as a most reliable specific in all diseases to which women are subject, and give it honest endorsement."

Women who are troubled with painful or irregular menstruation, bloating (or flatulence), leucorrhoea, falling, inflammation or other troubles, or ovarian troubles, that bearing-down feeling, dizziness, faintness, indigestion, nervous prostration, or other ailments, should take immediate action to ward off the serious consequences, and be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound, and then write to Mrs. Pinkham, at Lynn, Mass., for further free advice. No living person has had the benefit of a wider experience in treating female troubles. She has guided thousands to health. Every suffering woman should ask for and follow her advice if she wants to be strong and well.

## Trial of Mrs. Pate.

Mrs. Josie Pate, better known as "Babe," was arrested in Cloverport on Thursday by Deputy Sheriff Kelly, charged with complicity in the killing of William Thomas, says the Hancock Clarion. The warrant was procured by Ed Bolin, a business associate of the dead man. Mrs. Pate was brought to this city and in the absence of Judge Stephens, went to jail to await examining trial, which was begun on Friday afternoon.

The woman was accompanied by a daughter, who accompanied her mother to jail. A baby about a year old was left at Cloverport, but was ordered to be sent here by the court on Friday, in order that it would suffer no inconvenience.

The examining trial of the woman was resumed before Judge Stephens, and although the evidence was rather conflicting she was held in the sum of \$100 for her appearance at the next term of circuit court. As she was not able to secure bond she was sent to jail, accompanied by her baby, which she can either keep with her or send away if she pleases.

Mrs. Pate, like her husband, is of a low order mentally, and really made no denial of her part in the tragedy, stating, however, that the dead man kicked her husband first.

## Summer Diarrhoea in Children.

During the hot weather of the summer months the first unnatural looseness of a child's bowels should have immediate attention, so as to check the disease before it becomes serious. All that is necessary is a few doses of Chamberlain's Colic, Cholera and Diarrhoea Remedy followed by a dose of castor oil to cleanse the system. Rev. M. O. Stockland, Pastor of the First M. E. Church, Little Falls, Minn., writes: "We have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for several years and find it a very valuable remedy, especially for summer disorders in children." Sold by Short & Haynes.

## Dr. Rial Leaves Cannelton.

Dr. George W. Rial, who has been temporarily in charge of Dr. W. B. Armet's dental parlor, has decided to locate in Owensboro for the practice of dentistry. He has rented rooms over J. R. Smith's confectionery on Third street and will remove his family here in a few weeks from Cannelton, where he has been practicing dentistry for more than ten years. He was born and reared at Hawesville and is well known here, where he began his practice with the late Dr. H. H. Taylor. Mrs. Rial is a daughter of Mr. Alex. Boyd and a sister of Mrs. Chas. Babbage and is also a daughter of the late Dr. H. H. Taylor. The family will be an addition to Owensboro socially as Dr. Rial will be professionally.—Owensboro Enquirer.

## Monthly Crop Report.

The monthly report of the State Agricultural Department for August, showing the condition of the crops, especially wheat and tobacco is, in brief, as follows:

The corn crop promises a full average. The yield of wheat is much below an average and the grain is not good. Much of it is threshed tough and showing sprout damage. The cat crop, suffering damage due to excessive moisture, is a full one. Barley tobacco is below the average of the last five years. Condition also below average. Dark Kentucky tobacco with fine flavor is much below. Condition is low on account of lack of proper cultivation and water-soaking. Corn—Prospect for average crop 5 years.....101 Wheat—Per cent of yield compared with average.....85 Wheat—Quality of berry.....88 Oats—Per cent of yield compared with average.....97 Barley—Prospect for average crop 5 years.....92 Durum—Condition of crop August 1, 85 Dark—Prospect for average crop 5 years.....73 Dark—Condition of crop August 1, 85.

## Bryan For President Again.

An associated press dispatch from Milwaukee, Wis., says: "Wm. Jennings Bryan, a virile and sidetracked political principle that caused his defeat in 1896 and 1900, will undoubtedly be a Democratic nominee for President in 1908. He has publicly outlined his ideas of the platform that should be adopted. It is radical enough to keep his radical followers in line, and it is conservative enough to win the support of most of the Democrats who repudiated him in former campaigns."

## Ohio River Survey.

Assistant United States Engineer S. V. Creelich, of Philadelphia, arrived in Louisville last week to take charge of the survey of the Ohio river, looking to a thirteen-foot stage to Pittsburgh. All the work is to be done under the direction of the Louisville office.

## Kentucky Fourth in Revenue.

Kentucky ranks fourth among the states for internal revenue collections, its payments aggregating \$1,754,509.

Subscribe for the News.

## PHIL BROWN STILL LIVES.

Federal Prisoner From This County Not Dead, as Reported.

There is no foundation for the story which has been published that Phil Brown, federal prisoner, died of smallpox in the Daviess county jail, says last Thursday's Owensboro Messenger. Brown is alive and well and has not had smallpox or any other disease, according to the statements of the jail authorities, the federal jail physician and Deputy United States Marshal Nichols. Marshal Nichols says that he heard the report of Brown's death several days ago and at once went to the jail to investigate. He saw Brown dead a talk with him in which he stated that he had not so much as been "feelin' puny."

Brown was arrested some time ago in Meade county on the charge of moonshining. He was taken to Louisville, where his examining trial was held, after which he was brought to Owensboro and placed in jail. Early last spring Dick Brown, his brother, was arrested on the same charge and held over to the grand jury by Commissioner Lindsey. Both the Browns are now in the Daviess county jail. The men are still to have operated a moonshine still near Meeting Creek postoffice, in Breckenridge county. The still was raided and destroyed by Deputy Marshal Nichols and other officers.

## Contract For Capitol Let.

The State Capitol Commission has awarded the contract for the construction of the new State Capitol to the General Supply and Construction Company, of New York, at its bid of \$880,000. There were fourteen bidders for the general construction, ranging in the sum of \$25,000 to \$1,007,000.

The stone to be used is Bedford. All contractors bidding \$100,000 higher on Bowling Green and other Kentucky stone. B. B. Taylor, president of the successful company, is a young man, twenty-six years old, and presented his bid in person. He gave bond in the sum of \$25,000 to complete the work in two years, with a penalty of \$30 per day for every day over the allotted time.

There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, ritting, indigestion, dyspepsia and all stomach troubles that are curable are quickly cured by the use of Dr. Williams' Pink Pills for Pale People.

## Down in Hancock.

J. W. Bates came down from Tar Springs Saturday to look after his affairs but returned Sunday to spend some time drinking low water disease. Prof. J. W. Jarrett, of Stephensport, was here last week attending the teachers' institute. He will teach the next session at Lewisport.

Miss Lena Payne, assistant cashier in the Stephensport Bank, came down and spent Sunday with Judge and Mrs. S. S. Adams.

The new swimming boat, "Billie," came out of the shop Thursday evening about 6 o'clock on her first trip. She is now plying in the Hawesville-Tell City trade, and is much better equipped for this service than her companion "Brownie." It is understood that the "Billie" will run excursions according to the "moon" schedule, Hancock Clarion.

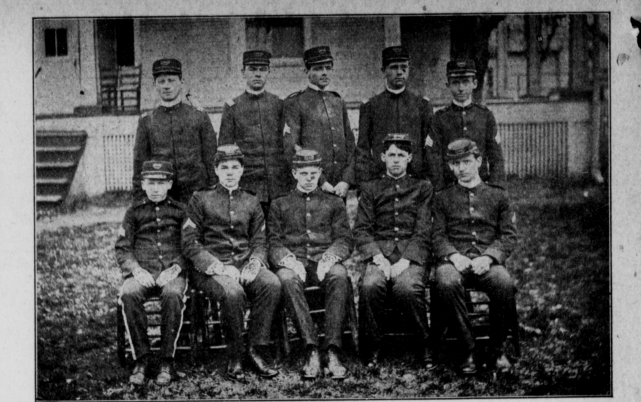

For sunburn, tetter and all skin and scalp diseases, DeWitt's Witch Hazel Salve has no equal. It is a certain cure for blind, bleeding, itching and protruding piles. It will draw the fire out of a burn and heal without leaving a scar. Boils, old sores, carbuncles, etc., are quickly cured by the use of the genuine DeWitt's Witch Hazel Salve. Accept no substitute as they are often dangerous and uncertain. Sold by All Druggists.

## Truth About a Good Man.

Prof. Abel Powell was down from Tolsonport on Monday and paid a pleasant call. He came to say good-by and to order the Enquirer to follow him to his new home at Sobres, Ky., to which place he will remove next week. Prof. Powell has accepted the superintendency of the Sobres schools. We sincerely regret to see him leave this part of the country but he is going to his new field with the inducement of a handsome salary and a hearty welcome from the people there. Prof. Powell is a master of his profession and a perfect gentleman with it all, and the people of Sobres have every reason to congratulate themselves upon their wise choice.—Cannelton Enquirer.

## New Brandenburg Route.

Rural free delivery route No. 2 has been ordered established October 16 at Brandenburg.

Senior Class 1905, Louisville Training School, Beechmont, Ky.

## IS BACKED BY L. AND N.

A Report In Louisville Regarding Road From Madisonville.

(Thursday's Courier Journal.)

It was reported yesterday that the Louisville and Nashville Railroad Company was pushing the construction of the proposed new line from Madisonville to Irvington by the way of Fordville, and had agreed to purchase the line following its completion. The report came from railroad men who have been visiting the cities interested in the new line.

Under present plans, it is the intention of a company of Madisonville capitalists to build a steam line from Madisonville to Fordville, where it will connect with the Fordville branch of the L. & N. The L. and N. officials are said to be anxious to see this line go through, as it would be one more step toward a direct line from Louisville to Paducah. Recognizing the fact that Paducah will be an Ohio river crossing in a few years to come, it is the intention of the L. and N. officials to get a better foothold in the city than they now have. At present the L. and N. reaches Paducah only by running so far south that it nearly enters Tennessee, and the Illinois Central has a distinct advantage on distance.

It is also said that this new railroad would open a territory of undeveloped country, which is not tapped by any railroad, and that large shipments of grain, tobacco, lumber and coal will be sent to Louisville by means of it. At present the greater portion of these shipments go to Evansville by the way of Green river. Should the L. and N. secure the new branch, it would be a step to connect Madisonville with Paducah, running their trains from Fordville over the L. H. and St. L., and not only securing a direct route to Paducah, but the benefit of developing a virgin territory.

## Peculiar Disappearance.

J. D. Runyan, of Butlerville, O., laid the peculiar disappearance of his painful symptoms, of indigestion and flatulence, to Dr. King's New Life Pills. He says: "The area is a perfect remedy for dizziness, sour stomach, headache, constipation, etc." Guaranteed at Short & Haynes' drug store, price 25c.

Send in your Subscription now.

## Liquor Licenses in Meade.

A. E. Gundry made application for tavern license to sell liquor at Ekron Monday in the County Court. Judge Hagan refused to grant license on the ground that local option prevailed in said town. Mr. Gundry was granted an appeal and the case will be tried in the Circuit Court.

J. E. Mattingly was granted tavern license to sell liquor at Concordia. Protest of Eli Brown, James Stephenson, W. A. Durbin, Thos. Rider, E. W. Davis, Mark Hardin and T. J. Roberts was filed against the granting of said license.

Paul Mills was granted distiller's license to sell brandy at his distillery near Rhodella.—Meade County Messenger.

## CASTORIA.

The Kind You Have Always Bought

Has Stood the Test 25 Years.

The old-fashioned Groceries Tasteless (Chill Tonic). You know what you are taking, it is true and genuine in a tasteful form. No cure no pay. 50c.

## Will Fight Wall Street.

A New Orleans special to the Cincinnati Post last week said:

# WINCHESTER

RIFLE AND PISTOL CARTRIDGES

Winchester Rifle and Pistol Cartridges of all calibers are loaded by machinery which sizes the shells, supplies the exact quantity of powder, and seats the bullets properly. By using first-class materials and this up-to-date system of loading, the reputation of Winchester Cartridges for accuracy, reliability and excellence is maintained. They cost no more than inferior makes. Ask for them, and insist upon getting them.

THEY SHOOT WHERE YOU HOLD

## CHAS. REDMAN'S SERVICES

To Irvington—Recollections of 40's—H. L. Bell Writes From Guston.

Chas. Redman and family, formerly of Irvington, visited Mrs. Redman's parents, Mr. and Mrs. G. W. Smith, at their new home in Guston, Tenn. Mr. Redman is an educated business man and leaves a great many friends who regret to give him up as neighbor and friend. He has been in the service of the L. H. & St. L. railroad company for the past ten or twelve years, and served as police judge in the town of Irvington, holding to build his town from only a scanty number up to a beautiful little town with a population of six hundred.

Mr. and Mrs. Ed. Y. Peak, of Louisville, spent a week with their old friend, H. L. Patterson. Mr. Peak is a great hunter and dog fancier and she frequently accompanies her husband to different parts of the country on his hunting expeditions. They have visited nearly every state east of the Mississippi river. Mr. Peak has spent his life in the Falls City and says he remembers the town long before it had electric cars and automobiles, for he lived at Fifth and Broadway and only had to look South across the street to see large forest trees. He also tells of a great many interesting things that existed there away back in the 40's. During his boyhood he lived down near Portland and was personally acquainted with a great many of the steamboat captains and pilots, and having no canal and no street car line then, the passengers on the boats were carried from Portland to Louisville in barges. The cargoes of freight were hauled on drays which sometimes made processions half a mile in length.

## Local Option Election.

Lewisport is in the middle of a local option contest. The town is now with out licensed saloons, though a petition has been filed in the county court, signed by 50 legal voters of the town, asking that October 25 be fixed as the date upon which the question can again be voted upon.—Hancock Clarion.

## Equity Tobacco Shipped.

All the tobacco received and handled the past summer and spring by the American Society of Equity at the J. B. Pace tobacco factory, has been prized and shipped to Louisville, to await the further orders of the finance committee of the county union of the Society. A boat 35,000 pounds was the total amount shipped to Louisville.

## Squirrel Season Opens.

The season is now open for the shooting of doves and squirrels. The squirrel law closes again on September 15, and will remain closed until November 15, when the quail law is opened.

# LIQUO-PEPSO, THE MARVELOUS TONIC. DELICIOUS AND NUTRITIOUS

If your druggist can not supply you, send to us at once.

# PATE DISMISSED ON CHARGE OF MURDER.

Shows Court That W. O. Thomas  
Was Victim of Heart Failure—  
Situation Is Rather Tangled.

Charles M. Pate, who was accused of the murder of W. O. Thomas, an aged stone mason and contractor of Annenton, at the rock quarry two miles west of town, on July 31, was dismissed of the charge at his examining trial at Havessville last Thursday. Pate, accompanied by his wife, returned to Cloverport Thursday evening on the accommodation train, and went to the home of Jas. Logsdon, his brother-in-law. Pate was arrested in Grayson county, near Ohio county, by Sheriff Bannion, of Havessville, the first of last week.

Regarding Pate's examining trial a dispatch from Havessville, under date of August 10, in the Owensboro Messenger, says:

"Charles Pate, who was accused of the murder of William O. Thomas at the rock quarry above town, did not find many believers on the day of his arrest when he declared that he had nothing to do with the man's death and that he died of heart disease. But yesterday, when he was arraigned for examining trial here, he stuck to the story. Not only this but he succeeded in making it appear plausible enough that he was dismissed.

"The people of Hancock county generally believe now that Thomas' death was due to heart disease, and the finding in Pate's trial is a popular one. It is expected, however, that the grand jury will make a thorough investigation of the facts in the case."

The situation is a bit tangled. On August 3, Pate's wife was arrested here, as an accomplice to the murder of Thomas, and taken to Havessville, where her examining trial was had the day following. This was before Pate was located. At Mrs. Pate's examining trial, before Judge Stephens, the evidence was rather conflicting, but she was held in the sum of \$100 for her appearance at the next term of circuit court. The day Pate was dismissed she succeeded in giving bond, Jesse Marlow, of Pateville, and M. Higdon, of Havessville, being the sureties.

Marshal DeHaven's Information

Helped Bannion to Arrest Pate. Pate would not have been arrested as soon as he was, if it had not been for information as to his whereabouts which was furnished him by Marshal Orilla DeHaven, of this city. Marshal DeHaven learned of Pate's presence near Olanton through a letter received here and informed Sheriff Bannion of the fact. The latter went to Grayson county at once and had no trouble locating and arresting the man. Pate's statement on being arrested and other matter regarding the affair, which was prepared previous to his examining trial, will be found elsewhere in this issue.

TO CURE A COLD IN ONE DAY.  
Take LAXATIVE BROWN'S Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

## The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood is forced into the vital organs or the kidneys themselves break down and waste away call by call.

Bladder troubles must always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both free of charge, sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in paper.

Don't make any mistake but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

First Foot Ball Team, Louisville Training School, Beechmont, Ky.

## Wheat Growers Are Urged Not to be Stampeded By Speculative Stories.

From Trip-To-Date Farming.

Strenuous efforts are being made, as are made every year, to induce farmers to hurry their wheat upon the market at cut prices, not for the benefit of those who consume the flour, but for the benefit of those who store the wheat and hold it for the highest price to which they can push it.

The crop of 1905 is a somewhat better one than that of 1904, but it enters a market almost entirely bare, and fair prices must prevail unless farmers foolishly throw away their opportunity. Do not be frightened by speculative stories of foreign crops or supplies. The chief feature, perhaps, in the general position just now, is the very large continental demand. At the present time we have about 3,295,000 quarters afloat for the United Kingdom against 4,245,000 last year. There is in fact every indication that the season will finish with extremely small stocks available in England, France, Germany, Spain and Italy, as well as in America; so that pending definite information with regard to the growing crop there is little chance of prices giving away while it is ob-

tainly constitute the main features of the peace conditions handed by Baron Komura to Mr. Witte at the conclusion of the morning session of the plenipotentiaries in the general stores building of the Portsmouth navy yard. The word "indemnity" was carefully avoided, the term employed being "reimbursement" for the cost of the war. No sum is fixed, the amount being left for mutual adjustment between the two countries after the Japanese expenditures have been ascertained. These are the two all-important conditions, and those which the Russian plenipotentiaries find absolutely unacceptable as they are, however, it can be stated that these two principal conditions did not come as a surprise to the Russian plenipotentiaries.

Sick headache results from a disordered condition of the stomach and is quickly cured by Chamberlain's Stomach and Liver Tablets. For sale by Short & Haynes.

Cardinal Gibbons on Divorce.

The head of the Catholic Church in this country does not mince matters in his essay on Pure Womanhood in the September Cosmopolitan. It is astonishingly emphatic, and his discussion of woman's responsibility in the home, and the divorce question, is recommended to every woman in the country no matter what her religious creed. It is certainly one of the most stimulating utterances relating to the home sphere that has appeared in a long time.

Rock feller Buys Mammoth Cave.

(Special to the News.) It is learned from the most trustworthy source that the agents of the Standard Oil magnate, Jno. D. Rockefeller, have purchased the Mammoth Cave, and will shortly move it to the State of New York. The people of the surrounding counties of Grayson, Bullitt, Warren, Harlan and Boone are very indignant at what they term the unscrupulous vandalism of Mr. Rockefeller.

The Mammoth Cave is one of the greatest natural wonders on earth, and people from all over the world have journeyed to the United States for no other purpose than to see this wonderful cave.

It has no more to advertise Kentucky in foreign lands than all other

visions that any serious impairment of the crop outlook in any of the principal countries could hardly fail to exercise an immediate and decisive effect."

The Indian crop is two million quarters below that of last year, and none of the European or South American countries report an excess. Hence there is no reason at all for a depression in prices.

In our country there is no bumper crop, and late excessive rains have reduced the condition and impaired the quality, while the straightening out of the angle in the cotton situation, and the rapid approach of the harvest to its proper level, will invigorate the domestic market by stiffening the demand.

So there is not a single element in all the whole world that points to a price below a dollar. Don't sell for less. Don't be stampeded. Remember the world needs all the wheat, not part of it. Remember the demand continues over 12 months, not a month or two.

Kindly take notice that Ely's Liquid Cream Balm is of great benefit to those sufferers from nasal catarrh who cannot inhale freely through the nose, but must treat themselves by spraying. Liquid Cream Balm differs in form, but not mediocrity from the Cream Balm that has stood for years at the head of remedies for catarrh. It may be used in any nasal atomizer. The price, including a spraying tube, is 75c. Sold by druggists and mailed by Ely Brothers, 56 Warren Street, New York.

Dr. Addison At West Point.

The West Point correspondent of the Elizabethtown News stated last week that Dr. S. B. Addison, formerly of Cloverport, would soon open a dental office over the K. & L. bank at that place.

WAY TO TREAT HAY FEVER

No Stomach Dosing. Just Breathe Hyomei—Stops Sneezing and Smarting.

Short & Haynes are recommending to their customers as a cure for hay fever, Hyomei.

It is claimed for this remedy that it stops the spasmodic prostrations, the sneezing, the smarting and running of the eyes and nose, and other acute symptoms of this disease.

Many persons have been cured of hay fever by Hyomei, and the discoverer of the remedy professes to be able to prevent both the occurrence of the annual attack and to stop the progress of the disease, even in the most chronic forms.

A. Hamlin, of Westford, Mass., writes: "Hyomei cured me of hay fever in one week's time. I consider it a duty to tell others who suffer from this disease."

This endorsement is only one of hundreds that have been received by the proprietors of Hyomei, and Short & Haynes offer to refund the money if Hyomei does not do all that is claimed for it. It is the strongest proof that can be given as to the confidence they have in Hyomei's power to cure hay fever. The complete outfit costs but \$1.00, while extra bottles can be procured for 50 cents.

Rockfeller's Sunday School.

From the Church Economist.

It was my privilege in July to visit the noted school superintended by Mr. John D. Rockefeller, "The Oil King."

It was July, and the weather was hot; nevertheless the superintendent was found in his place, the school was in session, the attendance was good and the scholars were enthusiastic.

Mr. Rockefeller's school is the Euclid Avenue Baptist, Cleveland, Ohio. He has been superintendent for thirty-five years. Mrs. Rockefeller has been superintendent of the primary department during the same period. In the winter they are in New York city, but during the summer they are in Cleveland. They are regular in attendance.

The school begins at 9:30 A. M. and lasts for one hour. The average attendance is about 500. The Sunday school meets in the chapel and in the Sunday school rooms. The church is a down town church, and is not an aristocratic church, as some have supposed.

Mr. Rockefeller is seldom absent from the prayer meeting. Mr. Rockefeller believes in formation and also in reformation.

While I was talking to Mr. Rockefeller a young man walked past us. Mr. Rockefeller said: "That young man came into our prayer meeting two years ago, on the 6th of November. He came in drunk, but he went away converted, and has been a faithful worker ever since." This shows how much personal attention is paid to the individual.

Was in Poor Health for Years.

Ira W. Kelley, of Mansfield, Pa., writes: "I was in poor health for two years, suffering from kidney and bladder trouble, and spent considerable money consulting physicians without obtaining any marked benefit, but was cured by Foley's Kidney Cure, and I desire to add my testimony that it may be the cause of restoring the health of others." Refuse substitutes. Sold by A. R. Fisher.

Cloverport Negro Thief.

The Pateville correspondent of the Havessville Plaindealer says: "A thief entered a house on the farm of J. W. Lyman a few days ago and stole a suit of clothes and some other articles. The thief was a negro man whose name is given by parties who talked with him, as that of Frank Robinson. He lives at Cloverport and has scars on his face. He was seen by Tom Kelly a few days ago boarding a train at Skillman carrying a little bundle. Three or four other houses were entered by the same negro. This lad made a raid here early in the summer and several articles were stolen. The scoundrel should be caught and lodged in the penitentiary where they are prepared to keep that kind of stock."

Fiendish Suffering

is often caused by sores, ulcers and cancers, that eat away your skin. Wm. Redell, of Flat Rock, Mich., says: "I have used Bucklen's Arnica Salve, for Ulcers, Sores and Cancers. It is the best healing dressing I ever found." Soothe and heal cuts, burns and scalds. 35c at Short & Haynes' drug store; guaranteed.

Attend G. H. Stone's Funeral.

Mr. and Mrs. Wickeffe DeHaven and Miss Maude DeHaven were at Flat Rock, Friday to attend the funeral of G. H. Stone, father of Mrs. Ira DeHaven. Mr. Stone died at the Confederate Home at Pewee Valley last Thursday at an advanced age. He had been ill since the federal Reunion in which he took part.

## THE BOATNER CASE NOW OUT OF COURT.

Last Chapter is Written in The

Now Famous Schlitzbaum and Boatner Robbery of \$28,000.

The last chapter has been written in the Boatner-Schlitzbaum story, which began three years ago when J. W. Boatner walked into the office of the American Express company in Owensboro and offered to Agent Bush a package which he said contained \$28,000 and which he wanted to ship to Fordville. Shortly afterwards Boatner and A. B. Schlitzbaum, the agent at Fordville, were arrested on the charge of conspiracy in the removal of the package. Since then, at varying intervals, a new chapter has been added.

Last Thursday the case of J. W. Boatner against the American Express company, a damage suit for \$2,000 for alleged malicious prosecution, was called in circuit court at Hartford. Boatner was not present, making a continuance necessary. A motion was sustained requiring the plaintiff to give bond for costs. Ben D. Ringo, Boatner's attorney, refused to execute such bond and the case was thrown out of court. It will be remembered that in August, 1902, Boatner shipped a package said to contain \$28,000 to his own address at Fordville through Agent J. G. Burch, of the American Express company in Owensboro. He went to Fordville on the same day. At Fordville he went to a hotel and retired early. A. B. Schlitzbaum was the station and express agent at Fordville. Early in the night he could not be found at the station and he remained missing until midnight. When he was found at the Falls of Rough. He told that he took the package and other money for safe keeping and started to his boarding house. When going through a lonely part of the little town he claimed to be caught him and forced him to walk up the railroad a considerable distance from Fordville and that they then gave him knock-out drops and robbed him. He claimed not to know what happened. The next morning Boatner took the early boat train, claiming he was going to Cloverport. At Irvington he was arrested and taken to Hartford and kept in jail on the charge of conspiracy to rob the American Express company. He remained in jail about a week and was then tried and acquitted. He was once brought suit, through Attorney Ben D. Ringo, for malicious prosecution, claiming damages of \$2,000. The ending of this case is noted above. He is supposed to have left Kentucky soon after filing his suit.

Schlitzbaum was given a prompt trial on the charge of embezzling \$82 from the American Express company and was sentenced to two years in the penitentiary. He completed his term at Edwinstown and has been arrested charged with defrauding the state by shipping boxes of shoes to a confederate or confederates at Memphis, New Orleans and other points in the South. This discovery was made a short while before Schlitzbaum's term expired. He was given charge of the shipping department of the prison because of his experience

and expertise as a railroad agent. He is now in jail at Edwinstown awaiting his trial on the new charge and it is said the evidence is so conclusive that he cannot escape another sentence in the penitentiary. He recently declared to several parties that Boatner had swindled him out of considerable amounts of money. Boatner is now supposed to be in the far Northwest, probably at Seattle.

## Unhappy Women!

A woman can be happy when her health is undermined. No woman can have good health while suffering from female weakness, inflammation, ulceration or any disease of the delicate womanly organs. Nervous, sleepless, fretful, suffering in body and mind, she does not rest but only exists.

More than a half a million such women have found a perfect and permanent cure for their diseased condition in the use of Dr. Pierce's Favorite Pink Pills. "Women cured by this remedy say it is a 'wonderful medicine,' so perfectly does it restore them to health and contentment."

There is no alcohol in "Favorite Prescription," neither does it contain opium, cocaine, nor any harmful drug. It is in the strictest sense, a homeopathic medicine. Its ingredients are purely vegetable, and it will agree with the most delicate constitution.

Don't be misled by cheap imitations. Insisted, into accepting a substitute. This medicine has a record that is worth far more than any difference in price. Sick and ailing women are invited to consult Dr. Pierce, either personally or by letter, absolutely without charge or fee, thus avoiding the unprofitable and often offensive examinations and obnoxious local treatments considered necessary by many local practitioners. All correspondence treated as strictly private and no sacredly confidential. Write your name and address to Dr. R. V. Pierce, 661 Main Street, Buffalo, N. Y.

These tiny sugar-coated anti-acid pills regulate the stomach, cleanse the bowels, cure Constipation and Bad Stomach, stimulate the system, give strength. One or two for laxative, three or four for cathartic.

and expertise as a railroad agent. He is now in jail at Edwinstown awaiting his trial on the new charge and it is said the evidence is so conclusive that he cannot escape another sentence in the penitentiary. He recently declared to several parties that Boatner had swindled him out of considerable amounts of money. Boatner is now supposed to be in the far Northwest, probably at Seattle.

Was Wasting Away.

"I had been troubled with kidney disease for the last two years," writes Robert R. Watts, of Salem, Mo. "I lost flesh and never felt well and doctor with leading physicians and tried all remedies suggested without result. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am now sound and well." During the summer kidney irregularities are often caused by excessive drinking or being overworked. Attend to the kidneys at once by using Foley's Kidney Cure. Sold by A. R. Fisher.

## September "Smart Set."

Molly Elliot Sewall's novelette, "The Chateau of Montplaisir," which opens the September Smart Set, is just the kind of story one wishes to read in the warm weather. It is delightfully humorous from beginning to end, and, while some of the situations are hilariously laughable, the author never oversteps the bounds of probability. Those readers who remember Miss Sewall's "Papa Boucheard"—and who does not?—which the same magazine published about four years ago, know what a pleasant hour is in store for them in this last piece of work. Miss Sewall has never given us a more rollicking and genuinely witty story, nor one so full of the very spirit of comedy.

## A Touching Story

Is the saving from death of the baby girl of two. A. Kyle, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious Throat Trouble, and two physicians gave her up. We were almost in despair, when we resolved to try Dr. King's New Discovery for Consumption, Coughs and Colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At Short & Haynes' drug store, 36½ and \$1.00 guaranteed. Trial bottle free.

## What "Fod" Means.

Health Officer Allen has been asked to define the meaning of the term "new food discovered," used in the press dispatches from New Orleans in connection with the yellow fever epidemic. It means new starting points or new localities, where the disease has broken out. For instance, in the press dispatches this morning, it is mentioned that the total toll to date is ninety-five, meaning that there are ninety-five localities where the disease is prevailing in New Orleans up to this time.—Louisville Times.

## To Let Contract in Fall.

R. E. L. Simmerman, secretary of the Madisonville, Hartford & Eastern Railroad, with headquarters in Hartford, writes that his company proposes to build sixty miles of road from Madisonville to Mitchell and has already surveyed thirty-five miles of the line and is now surveying the remaining twenty-five miles. He says that contracts for the construction will be let early in the fall.—Hopkinsville New Era.

## Severe Electrical Storm.

The most severe electrical storm of the summer occurred here last Thursday morning between 7 and 9 o'clock. The lightning was very violent and the rain fell in a steady downpour. There was little wind out a number of people were frightened by the unusual intensity and apparent proximity of the lightning, though there was no damage done.

## R. E. Woods to Change Residence.

Mr. R. E. Woods, a well-known attorney of Louisville and formerly principal of the Elizabethtown Herald, writes that his company proposes to build sixty miles of road from Madisonville to Mitchell and has already surveyed thirty-five miles of the line and is now surveying the remaining twenty-five miles. He says that contracts for the construction will be let early in the fall.—Hopkinsville New Era.

## One of the Fastest.

Regarding the "Punkin Rollers," of Tobacco, the baseball editor of the Owensboro Inquirer says: "Tobacco is one of the fastest teams in Southern Indiana and one of the few that has ever beaten Cannelton on the latter's grounds."

## J. L. Cart Publishing Paper.

The News has received a copy of the Allen Hensler, a weekly paper published at Allen, Indian Territory, by J. L. Cart, formerly of Union Star, this county, and a former school teacher at Lewisport.

## Cure For Rattlesnake's Bite.

A dispatch from Tucson, Ariz., says: "Superintendent B. F. Daniel, of the Territorial prison, who is a visitor to new, tells of a certain cure for the bite of a rattlesnake. 'He had heard of it while he had been engaged in mining in Mexico, and since he became superintendent of the prison he has seen two or three Mexican convicts who had been cured, and who had the scars to show that they had been bitten. 'There is in every rattlesnake a small sack, about the size of a Mexican bean, attached to the intestines. This is filled with a brownish black fluid, and that fluid is the cure for the bite. If it is applied immediately the patient will not even suffer any swelling and will entirely avoid pain. 'Many Mexicans carry the fluid with them at all times when they are in the mountains or on the desert. These Mexicans kill all the rattlers they can find, and most of them store the fluid in a bottle made of a rifle cartridge shell, which is kept tightly corked. 'In anatomical descriptions of the rattler no mention is made of this particular sack, though air sacks are numerous in the intestines of all members of the snake family. But there is no doubt of the existence of it, for Mr. Daniel said he had seen Mexicans remove it frequently.'"

G. B. Burhans Testifies After Four Years. G. B. Burhans of Carlisle, Conn., N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the distressing kidney pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." Sold by A. R. Fisher.

## Injury May Be Permanent.

(Elizabethtown News.) The people of Hardin county are very much concerned over the injury of Judge McBeath, notice of which was published in the News last week. His friends were not able to get much comfort from the following later and fuller information from the Grayson Gazette: On Wednesday morning Judge T. R. McBeath, while on his premises, was trying to hold a fractions mare by the tail to a halter, when the mare rearing suddenly, caused the Judge to lose his footing and he was thrown violently to the ground, sustaining a fracture to the small part of the spine of the femur. The injury was of such nature that the Judge had to be carried by his son-in-law and a hired man to his room. It is feared by the Judge's physicians, Drs. Ames and C. Keith, that owing to the Judge's age the injury may cause him considerable trouble and likely be permanent.

## They Appeal to Our Sympathies.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These tablets invigorate the stomach and liver and strengthen the digestion. They also regulate the bowels. For sale by Short & Haynes.

## To Select Another Site.

C. E. Keith has sold his residence and move shop on Mulberry street to T. V. Patton for \$800 in cash. Mr. Patton will move the house back from the street and convert the entire building into a dwelling. Mr. Keith will select a site nearer the center of the town and continue in the marble works business.—Elizabethtown News.

## May Bring a Big Price.

Regarding the commissioner's sale, on August 28, of the farm known in history as the birthplace of Abraham Lincoln, located a few miles from Hodgenville, the La Rue County Herald says: "It is believed that when the place is thrown on the market on the 28th that it will bring a big price by reason of its historical associations, but it may fail to attract the attention of those who would pay a large amount for it and be knocked off at a low price. The farm has been badly neglected, for the reason that it was owned for years by people who cared nothing about farming it, but it has a strong soil and could be made into a splendid farm."

## St. Francis Valley Lands

Of Southwest Missouri and Northeast Arkansas, river bottom made soil, rich as cream; for corn, wheat, oats, clover, timothy, alfalfa, fruits, and vegetables. Yield big crops, no failures. Lands now cheap but advancing, investigate this fall. Homeowners' rates Aug. 15, Sept. 5 and 19, Oct. 3 and 17. Write for St. Francis Valley booklet. W. L. LABEAUME, G. P. and T. A., Cotton Belt Route, St. Louis, Mo.

REV. LEWIS WILL PREACH.

Introductory Sermon At Association

Aug. 30—The Committees.

Rev. J. T. Lewis, of this city, will

preach the introductory sermon at the

third annual session of the Brecken-

ridge Association of Baptists, which

convenes at the Baptist church here

at 11 o'clock Wednesday morning

August 30, with Rev. D. B. Clapp

as alternate. The meeting will con-

tinue two days and will be attended

by messengers and pastors from the

twelve Baptist churches in the

county, and by ministers and mes-

sengers from corresponding associa-

## REV. LEWIS WILL PREACH.

Introductory Sermon At Association

Aug. 30—The Committees.

Rev. J. T. Lewis, of this city, will

preach the introductory sermon at the

third annual session of the Brecken-

ridge Association of Baptists, which

convenes at the Baptist church here

at 11 o'clock Wednesday morning

August 30, with Rev. D. B. Clapp

as alternate. The meeting will con-

tinue two days and will be attended

by messengers and pastors from the

twelve Baptist churches in the

county, and by ministers and mes-

sengers from corresponding associa-

tions, as well as visitors from this

and surrounding counties.

At the second annual session of

the association, which was held at Goshen,

on August 21 and September 1, last

there were from three to seven mes-

sengers present from each church rep-

resented. A permanent organization

was effected at this session, with W.

V. Harrell, formerly of Hardinsburg,

as moderator, and J. B. Herndon,

of Irvington, as clerk.

The committees appointed last year

to report this year are as follows:

Foreign Missions—S. O. Christian,

James Withers.

Home Missions—J. T. Lewis, W.

V. Perkins.

State Missions—D. B. Clapp, Chap.

man Moorman.

District Missions—M. P. Compton,

Gabe Wright.

Ministers' Aid—B. G. Robertson,

L. L. Lynch (deceased).

Temperance—F. H. McGehee, S. P.

Parks.

Schools and Colportage—J. E. Keith,

John Morelock.

Religious Literature—R. E. Bash-

am, D. S. Miller.

Orphans Home—J. T. P. Owen, J.

E. Bricker.

Charities—Waller Wilson, Renard

Adairson.

The following gentlemen were ap-

pointed members of the District Mis-

sion Board, a very important com-

mittee: J. T. P. Owen, Goshen; J.

B. Herndon, Irvington; G. W. Bur-

ke, Stephenson; M. P. Compton,

Garfield; C. W. Payne, Friendship;

J. E. Keith, Cloverport.

Until 1902 the Baptist churches of

Breckenridge county were members

of the Goshen association, which

embraced also the Baptist churches

of Grayson county. The Brecken-

ridge association was formed and held

its first annual session in 1903. Goshen

association meets at Little Chilly

on September 27.
